Ethics Of Pharmacy

The Profession of Pharmacy is noble in its ideals and pious in character. In handling, selling, distributing, compounding and dispensing, medical substances including poisons and potent drugs, A Pharmacist is in collaboration with medical men and others, charged with the onerous responsibility of safeguarding the health of people, as such as he uploads the interests of his patrons above all things.

“Even if your life be in danger you should not betray or neglect the interest of patients.” Should be fondly cherished by all pharmacists.
