

5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Response:

Every student who graduates from Unity College of Pharmacy becomes a part of our alumni. Every year, the college hosts Alumni gatherings. At the alumni meeting, alumni share their experiences with current students. The Alumni Association establishes and maintains a lifetime connection between the Institute and its graduates. Through a variety of events, programmes, and services, the Alumni Association seeks to connect alumni, assist students, and provide a memorable experience with the institution. The Alumni Association is one of the simplest ways to reconnect, give back to the Institute, and act as a launching pad for future participation. IQAC members gather and aggregate feedback from alumni. The comments and recommendations of alumni made at the Governing Body meeting as implementation proposals. When IQAC and Academic Council sessions are held, chosen alumni are asked to make ideas. Every idea and advice from alumni is carefully reviewed for the improvement of the organization and executed following approval by various committees.
