

PARKING

Unity College of Pharmacy offers a spacious and well-organized parking facility within the campus to accommodate two-wheelers and four-wheelers of students, faculty, and visitors.

Designated parking areas facilitate efficient traffic management and convenient access to academic buildings. Security personnel oversee these zones to deter unauthorized entry and ensure vehicle security. The parking facilities are well-illuminated, regularly maintained, and clearly marked to promote orderly parking. Separate zones for staff and students enhance convenience. By providing secure and accessible parking, the college fosters a seamless campus experience, encouraging punctuality and safety for all commuters using personal transportation. Unity College of Pharmacy offers accessible parking solutions for students and visitors. The campus features designated zones with sufficient capacity to accommodate vehicles. Strategically positioned to optimize access to academic facilities and amenities, these parking resources prioritize safety and convenience via illumination and clear signage. Regular maintenance of parking facilities maintains a clean and orderly ambience. By offering reliable parking options, the College supports the daily needs of community members, thereby enhancing the campus experience.
